

VoiceMail4All

Pushpba's Story

I have registered for VoiceMail4All in London Bridge, Manna Centre. At that time I didn't have a mobile. So I went to St Mungo's looking for a job. I have sent my CV to 20 people. Then I have lost my mobile. I had my voicemail number. That was very useful. I have sent my CV to the agency they were able to contact me because I had the voicemail number. I got the job. Thank you.

At that time I lost my mobile. I had two numbers on my CV. So I lost my mobile. Because of the voicemail number, the agency was able to contact me so I got the job now. I'm happy. Thank you!
